

STAN GILL MEMORIAL SCHOLARSHIP

- Available to grade 12 student attending Monsignor McCoy High School
- Awarded to graduate who has received the highest mark in Biology 20 and 30 combined.
- Award amount - \$500
- Name of recipient submitted to Foundation by September 1st.

This scholarship was established in 2004 by family and friends of Mr. Stan Gill to honour his life and legacy.

Stan will be fondly remembered by many, including those he touched at McCoy High School. Hundreds of students benefited not only from his great teaching skills but also chose a profession because of his influence as a biology teacher. He was the kind of teacher that all teachers aspire to be, because he modeled the kind of behavior he expected from his students. The extent of his influence is best summed up in the following quote.

*“A teacher affects eternity:
He can never tell where his influence stops.”*
