INVITATION

We invite you to join us as we work to encourage and change lives in the Catholic School Division. Our package has been planned to provide you multiple choices to suit your budget and marketing objectives. Public recognition is offered for every sponsorship level.

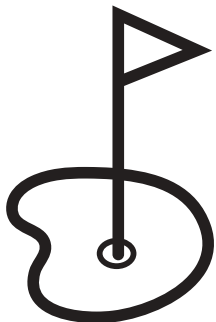

The net proceeds from the tournament assist the Foundation in supporting unfunded school projects and leadership initiatives such as:

- **Providing funds for projects** with a focus on young people leading local and global change.
- **St. Mary's School Musical Productions** - students learn teamwork by working together, taking responsibility, and building confidence.
- **Brown Bag Lunch Program** - delivery cost for lunches prepared by community volunteers and distributed to students within Medicine Hat Catholic Schools.
- **Funding Grants** that support retreats that help to further develop strong Catholic Leaders within the Medicine Hat Catholic School Division.

Sponsorship for this event offers you the opportunity to:

- Support community children and students in their education pursuits.
- Gain exposure for your product, business, or service through our many advertising options
- Develop client-employee relationships by sponsoring them while they participate in this event.
- Enjoy a relaxing afternoon of golf with other business and community partners.

The Foundation Golf Tournament has become a well recognized and supported event in Medicine Hat. We welcome your participation!
