GAME RULES

Each team is allotted 18 yards of string to use as decided. This string may be then used during play to improve a player's lie, or even void a stroke. At any point, a player may move the ball the length of the string or less, to any desired position. If the player uses less than the full length, they have to cut the amount used off. They then have only the remaining amount to use for future situations in the round.

Before the team putts, they need to decide if the string will be used for that putt. Extend the shot from the sand trap the same way. One throw of the ball per team.

- Men tee off from blue tee markers.
- Ladies tee off from white tee markers.
- All players tee on each hole. The best positioned ball is selected and the other three are then picked up. All players hit from the selected position and the system continues until the ball is holed out.
- Each team must use a minimum of two tee shots from each member.
- The person whose ball is selected need not hit first. The ball can be played in any order and can be placed within one club length on the green or the rough. If the ball is played in the rough, it cannot be moved to the green.
- If the ball selected for play is in a hazard, all shots must be played from the hazard. If the ball you choose is behind a tree, you are allowed a two club length relief no closer to the hole. If you choose a ball in the sand pit, the sand may be raked between shots.
- Team Captain: He/She will make the final decision on which ball to use, be responsible for the proper use of Wing n' String, fill the scorecards out properly, and ensure that the scorecard is totaled and return to an Organizing Committee member in the clubhouse as soon as the round is completed.
- Hole in One Rules:
 - Tee from BLACKS only (unless otherwise indicated).
 - First in cup on the designated Hole in One is the winner.
 - Golf Pros and under 18 are not eligible for Hole In One awards.
 - Wing n' String/Mulligans and Hand Wedges may not be used to win a Hole In One.
 - Winners scorecard must be signed by an appointed hole spotter and all members of the foursome.
- **Minimum 3 golfers per team required!**

INVITATION

With golf season fast approaching, we are pleased to announce exciting plans for the Education Foundation 19th Annual Golf Tournament to take place on Friday, June 11, 2021 at Cottonwood Coulee Golf Course!

The golf tournament continues to be our most important fundraising event and has been very successful to date. With your help, we hope to again meet our goal of raising \$10,000.

The continued ability of the Foundation to work with and support local Catholic schools with unfunded projects, grants and scholarships, depends on the generosity of our community.

We welcome your participation and invite you to join us as we work to encourage and change the lives of students in the Catholic School Division.

Thank you for your consideration!
