

Medicine Hat Catholic Schools Education Foundation

AGM Chair Report January 19th-2021

As chair of the Foundation as I write this report it is hard not to reflect back on the Year 2020. It was a year like we have never known, full of ups and downs and challenges. I would like to thank all my fellow board members for “stepping up” and embracing the challenges and moving forward to the new norm on how the Foundation conducts its business. The Board has successfully moved to the virtual meeting platform and has been able to meet on a regular basis allowing us to meet our many obligations. I would like to thank Greg, Stephanie and the Central Office staff for all their help in making this possible.

I look forward to the year ahead with a sense of optimism that we will once again be able to meet our many community supporters in a social gathering in late June. Our Fundraiser sub-committee is working hard on other ideas to help us meet our financial obligations, I am excited to hear these ideas and implement them this coming year.

2020 was a year like no other but by helping with the education of our future leaders we are making a difference that will have an impact for generations to come. I would call that a win.

Rob Stroh

Chair
